" Arrangements respecting the Systematic Observation and
to Mr. G. J. Symons, 62, Camden Square, London, N.W.

Stockton Rugby. July 12. 1893.

Dear Sir

I have no copy of the July rainfall — my diary speaks of the day as showery. I should think ·19 must be the reading. Accidental introduction of water is very unlikely — I am sorry for the error.

Faithfully yours

W. Tuckwell
